

Twelve truly bad photoshop mistakes from magazines and ads. This is what happens when you trust a little too much on your photoshop skills!

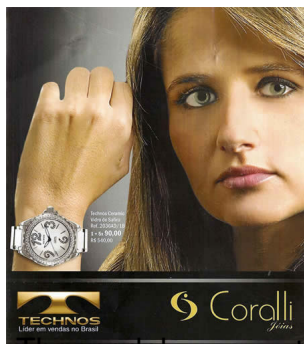

Need an extra hand?

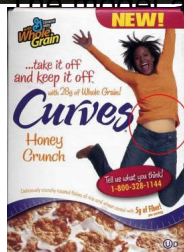

Nice stomach on the "Before" picture... another bad photoshop mistake.

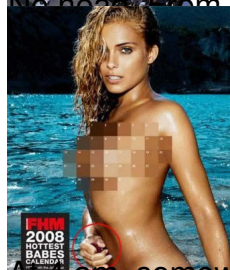

World's smallest waist? From Maxim Mexico

The model apparently had a stroke during her shoot (right eye)

No beard from Sports Illustrated

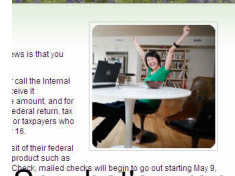

At a bar somewhere, a designer woke up screaming "OMG! I forgot to put her finger back in"

Is she about to devour her friend?

Madonna's Microcephalic issue

So what's wrong with this girl's arm?

Ok, how many hands do you actually have Lady Guineviere?
